SIR,

I have the honour to acknowledge the receipt of your letter No.G 7155-70/G.M.387-17-1 dated 29th November 1917 regarding the training to be undergone and the examinations to be passed by the two probationers posted to this office.

2. These probationers have first to be given a good insight into the work of a treasury and of a Public Works Divisional office. I shall therefore arrange for their studying the work of the Bangalore Taluk Treasury, the State Huzur Treasury and the Bangalore Divisional office. Thereafter they will be better able to understand the work of this office and I shall arrange to give them a training in the work of all the branches of this office. Roughly, their training may be regulated in accordance with the following programme:-

Bangalore Taluk Treasury	..	1 week.
State Huzur Treasury ..	..	1 month
Bangalore Division Office	..	1 month
Comptroller's Office:-		
Treasury Account Department	..	11 weeks.
Special Audit Department	..	1½ months
Miscellaneous Audit Department.		1½ months
Works Audit Department	..	2 months
Book, Budget and Resource	..	2 months

in the above programme as it is quite special and these Probationers are not intended for Open Line Accounts work. Railway Construction is more or less the same as ~~the~~ Public Works and arrangements can easily be made to ~~keep~~ post Probationers them for a couple of weeks in the Construction Section to give them an idea of the special features of its work.

4. As regards the examinations these Probationers have to pass, I invite reference to Para 24 of Mr. Datta's note on the Re-organisation of the Comptroller's Office. I agree with him that persons recruited for the Subordinate Account Service should pass the Government of India examination or examinations prescribed for the corresponding service in British India. The Probationers will be expected to sit for the first Government of India examination held six months after their training begins. If the two separate examinations for the Civil and Public Works Accounts are continued in British India, these Probationers may be required to pass both the examinations within the probationary period of two years fixed in the Government order of 2nd January 1917. If however the two examinations are amalgamated, they will have only one examination to pass, and after they pass these examinations and after they have also undergone the course of training noted in Para 2 above, they will be fit for confirmation and for the charge of a Section of this office.

SIR,

I have the honour to acknowledge the receipt of your letter No. Fl.3156/G.F.108-17-3 dated 26th December 1917. In view of what is stated in para 1 of your letter, the programme for the training of the two probationers may be revised as follows:-

One of the heavy Taluk treasuries of the Bangalore District- Chennapatna or Dodbellapur . . .	2 weeks.
Mysore District Treasury . .	1 month.
Bangalore Division Office . .	1 month
Comptroller's Office:-	
Treasury Accounts Department . .	10 weeks
Special Audit Department . .	1½ months
Miscellaneous Audit Department . .	1½ months
Works Audit Department . .	2 months
Book, Budget and Resource . .	2 months
Local, Outside and Commercial Audit .	2 months.

2. It is stated in para 2 of your letter under reply that it is under consideration to institute a local examination corresponding to the Government of India S.A.S. Examination. I would again suggest the

the desirability of requiring our recruits for the Subordinate Account Service to pass the examination of the Government of India prescribed for the corresponding service. We require our Gazetted Officers to pass the Government of India Examination and I consider it equally necessary to require our recruits for the Subordinate Accounts Service also to pass the Government of India examination. Our system of accounts is practically the same as that of the Government of India and it is necessary that the men appointed as Superintendents in our Accounts Department should have a thorough knowledge of the Government of India system. The few local changes and adaptations of Government of India rules will easily be learnt by them, in the course of their study of the Government of India system. It will widen their knowledge of accounts if our recruits for the S.A. Service are required to acquaint themselves ~~of~~ with the system of the Government of India, and it is best to have them examined by the Officers of the Government of India who examine the recruits for the Subordinate Accounts Service of that Government.

I have the honour to be,

Sir,

Your most obedient servant,

M Venkatarama Rao
